ROMEO R. QUIZON, F.PSSE, ASEAN Eng.
National President
Philippine Society of Sanitary Engineers, Inc.

Dear **Engr. Quizon**,

We are writing to propose to you our authenticator system that will enable **PHILIPPINE SOCIETY OF SANITARY ENGINEERS, INC.** to quickly secure all officially-issued certificates and highly sensitive documents.

We are **DOXCHECK PTE. LTD.**, a Pinoy-founded company which is headquartered in Singapore. DOXCHECK has developed a proprietary technology that enables organization to combat escalating problem of counterfeit documents and to solve the inefficiency of checking and verification of officially-issued documents. DOXCHECK is the ***first in South East Asia*** to offer an online document verification facility and currently being ***utilized in 56 countries*** across the globe. It was designed to protect issuers of documents from counterfeiters and allow fast, easy and accurate verification by the receivers of documents. It is currently being used by several *colleges and universities for **diplomas and TORs**, cities and municipalities for their **business permits and licenses**, professional organizations, regulatory boards and training centers for their **completion certificates**, and many more.*

With **DOXCHECK**, you do not need to worry about the cost, integration or even data privacy issues. Here are the highlights of the system:

- No installation or subscription fee
- Absolutely ZERO cost to issue unlimited certificates/diplomas/TORs/other documents
- No system integration needed (1-3 days implementation)
- No manual scanning of physical documents
- Issue and Secure documents in seconds
- Optical Character Reader (OCR) enabled for securing multiple documents
- Approve or Cancel issued documents (Full Control)
- Data Privacy Compliant

DOXCHECK is aggressively working to revolutionize the verification and validation of issued certificates that would promote the integrity of all documents released by organizations in the Philippines and in other Southeast Asian Countries.

Our company is looking forward to implementing this with your organization and be one of the advocates in building a fraud-free nation. Your staff may contact our PH Support Team at 0945.994.9908|0998.296.5531|support-ph@doxcheck.com or they can directly email me at joseph@doxcheck.com.

Sincerely,

Joseph Sarmiento
